

Tuition Assistance Application

St. Paul's Lutheran School recognizes that the cost of providing a Christian education is increasing. As that cost increases, it may become harder for some to meet the financial commitment that is necessary to attend St. Paul's Lutheran School. With this in mind, St. Paul's Lutheran School has established a Financial Assistance Fund to help families in need. Aid amounts have varied from \$50 to full tuition cost for qualified applications.

Any family experiencing financial difficulties and needs help paying the school tuition, should first **complete the online registration (which starts in February)**. The St. Paul's Finance Director can assist, if necessary. **Applications are accepted through the 3rd Friday in May.** *Summer applications will be considered depending on available funds.*

A committee established by the Board of Education (BOE) of St. Paul's Lutheran School will review all the applications, notifying each family of the amount of aid they will receive. Amounts distributed will depend on the money available in the Financial Assistance Fund as well as the number of applications. Financial assistance will be credited to your account and reflected in our tuition management system.

Please direct any questions that you may have to St. Paul's Finance Director.
